

## Two Charity Walks Take Over Downtown Sunday

Oct 15, 2019

Downtown will be flush with people breaking a sweat for a good cause thanks to two charity walks taking place throughout the streets of Downtown this Sunday, Oct. 20.

Then, on the other side of Downtown at Los Angeles State Historic Park, Alzheimer's Los Angeles is hosting its annual walk4ALZ fundraising event. Starting at 10 a.m., the one-mile walk helps raise awareness and funds to support families facing Alzheimer's and other forms of dementia. There will also be games, contests and music at the event, as well as prizes for the top fundraisers and more. The organization has currently raised \$116,000 of its \$275,000 fundraising goal. More information is at [alzheimersla.org](http://alzheimersla.org).
